FILED WITH THE

502 E.Pontiac Street;

Fort Wayne, Indiana.

August 1, 1925.

To the Fort Wayne Board of Works, re. the opening of Warsaw street:-

We, the resident owners of the property at the above address, protest against the assessment of one hundred and ten dollars (\$110.00) charged to us for the opening of the above street. It is unfair for us to be assessed so large a sum when we already have adequate street car service for ourselves. We understand the south east people who are agitating for the above opening for their own convenience, are not being assessed one cent. We feel it is only fair they bear at least half the expenses, as they are the people most benefitted. Such an arrangement would be no more than a just division, and feel sure under those conditions there would be practically no remonstrance against the opening of the street. The proposed allowance of \$250.00 for our property damages does not compensate for spoiling our lot, or for the disagreeable noises caused by street cars when rounding the curves, or crossing other tracks, as said noises will very much depreciate the value of the property for residence purposes.

Remonstrance against Warsaw Street
Opening

Mr Wm W. Duggett July 21/25
Ft Wayne Ind.

Dear Bro:

Enclosed please find a
Ft Wayne Journal & Rath clipping, of
Warsaw Street-opening. I own 44 lots
in Avondale add. and I do object
to this improvement. It will cost
me \$596¹⁷ We do not need it.
and I object most scarciously.

Lafayette st and Hanna are through.
It is only Lafayette Place that is
pushing this. I can see through
it all right. The people don't want
Chase place this letter in the hands
of someone that will file this
objection or remonstrance against it.

Thanking you in advance.

We are all well as usual. Hope
you and family are the same.

Your friend. Dr W H Johnston

Board of Public Works
Fort Wayne, Indiana.

Gentlemen:--

At the meeting of the Weisser Park Community Association, held Tuesday evening, January 5, a motion was made, duly seconded and passed by unanimous vote of the members, that the Board of Public Works of Fort Wayne, Indiana, be requested to again open negotiations in reference to the opening of Warsaw street from Pontiac street to the first alley north of Boltz street and the opening widening and extending of Oxford street from Lafayette street to Turpie avenue. Petitions requesting this improvement are on file in the office of the Board of Public Works and plans and drawings on file in the office of the City Engineer. The detail work for this improvement with the exception of completing the assessment role was carried out under the administration of the former board. All formal action was rescinded by the former board because of the fact that the work could not be completed under its time of administration.

By unanimous request of the members of this association and the petitioners for this improvement the Board of Public Works is hereby requested to take such action on this matter as may bring about the requested improvement in the very near future.

Respectfully yours,

WEISSE PARK COMMUNITY ASOCIATION,
